## X-431 IMMO PAD/PRO Diagnostic Functions Update

### 1. Service Function

In order to improve anti-theft product competitiveness, we decided to add extra service functions to X-431 IMMO PAD and X-431 IMMO PRO for free from now on. Both of them will have 32 service functions after upgrade. Here is the list.

## 2. Bi-directional Control Function

X-431 IMMO PRO will add bi-directional control function for free from 31<sup>st</sup> October, 2022.

Users have to upgrade the APK and diagnostic software to access new functions.
